| 10:20 – 10:40 | Objectives of the Workshop and status of Part 2 of the EMEP Assessment Report (Anton Eliassen, MSC-W) |
| 10:40 – 11:00 | <i>Coffee Break</i> |

National/Regional Assessments: Measurement Data Checking – Chair: Liisa Jalkanen

- | | |
|---------------|---|
| 11:00 – 11:30 | Status of measurement data checking process (Anne Hjellbrekke, CCC) |
| 11:30 – 12:00 | Response from the Parties to CCC presentation, discussion |
| 12:00 – 12:30 | Presentation of the data quality flagging undertaken by CCC (Jan Schaug, CCC) |
| 12:30 – 14:00 | <i>Lunch break</i> |

National/Regional Assessments: Support from MSC-E and MSC-W – Chair: Melanija Lesnjak

- | | |
|---------------|---|
| 14:00 – 14:30 | Support of MSC-E to national contributions concerning heavy metals and POPs (Ilia Ilyin, MSC-E) |
| 14:30 – 15:00 | Support of MSC-W to national contributions concerning acidification, eutrophication and ground level ozone (Leonor Tarrasón, MSC-W) |
| 15:00 – 15:30 | <i>Coffee Break</i> |

Presentations of National Assessment Reports (1) – Chair: Marina Frolova

- 15:30 – 16:00 First Approach to the EMEP Assessment Report – Slovak Republic (Marta Mitosinkova,)
- 16:00 – 16:30 National Assessment – Czech Republic (Milan V, Karel Dejmál)
- 16:30 – 17:00 Regional evaluation of POPs in ambient air (Ivan Holoubek)
- 17:00 – 17:30 Transboundary Air Pollution in Croatia – National Assessment Report (Sonja Vidic)
- 19:30 *Reception hosted by the Austrian Federal Ministry for the Environment and UBA*

Tuesday 5th March

Regional and National Presentations in the Frame of the Nordic-Baltic Project – Chair: Richard G. Derwent

- | | |
|---------------|--|
| 9:00 – 9:25 | The Nordic-Baltic co-operation on the EMEP Assessment Reporting (Pia Anttila) |
| 9:25 – 9:50 | The Swedish EMEP Assessment (Gun Lövblad, Emma Linehan-Henningson, Karin Sjöberg) |
| 9:50 – 10:15 | Trends in sulphur and nitrogen components in air and precipitation in the Norwegian sites (Jan Schaug) |
| 10:15 – 10:40 | Features of Regional Air Quality in Denmark (Niels Heidam) |
| 10:40 – 11:00 | <i>Coffee break</i> |
| 11:00 – 10:25 | Presentation of National Assessment – Finland (Tuija Ruoho-Airola) |
| 11:25 – 11:50 | Trends in airborne concentrations in the EMEP stations in Latvia (P. Berg, I. Indriksone, M. Frolova, I. Lyulko) |
| 11:50 – 12:15 | Preliminary results of trend analyses in Estonia (Katrin Pajuste) |
| 12:15 – 12:40 | EMEP Assessment Report - Lithuania (Dalia Sopauskiene) |
| 12:40 – 14:00 | <i>Lunch break</i> |

Presentations of National Assessment Reports (2) – Chair: Marta Mitosinkova

- | | |
|---------------|---|
| 14:00– 14:30 | Trends of NO _x , SO _x and ozone at Austrian background monitoring sites (Wolfgang Spangl) |
| 14:30 – 15:00 | Transboundary Air Pollution: The UK NEG-TAP report 2001 – United Kingdom (David Fowler, Rognvald Smith) |
| 15:00 – 15:30 | Few words about air quality evolution in France (Laurance Rouil, Nathalie Poisson) |
| 15:30 – 16:00 | Additional presentation about statistical methods - UK (Rognvald Smith) |
| 16:00 – 16:30 | <i>Coffee break</i> |

Sub-group meetings and discussions

- | | |
|---------------|--|
| 16:30 – 18:00 | Time for: the meeting of the Editorial Committee, meeting of the Nordic-Baltic project and discussions on presented national assessments |
|---------------|--|

Wednesday 6th November

Presentations of National Assessment Reports (3) – Chair: Pia Anttila

- 9:00 – 9:30 Meteorological corrections of air concentration data. How well do we know the trends? - Netherlands (Erik Noordijk)
- 9:30 – 10:00 Presentation of National Assessment - Italy (Stefan Doytchinov)
- 10:00 – 10:30 Atmospheric Sulphur in Germany – Relating Observed Changes to Emissions (Markus Wallasch)
- 10:30 – 11:00 *Coffee break*

Summary Session – Chair: Anton Eliassen

- 11:00 – 11:30 What have we learned from the national assessments? Report of the drafting groups
